

CURRICULUM VITAE

1. PERSONAL INFORMATION

Dr. Michel Bourban, born on the 20th of March 1987 in Monthey, Switzerland

Academia webpage <https://unil.academia.edu/MichelBourban>

LinkedIn webpage <https://www.linkedin.com/in/michel-bourban-04023378>

2. EDUCATION

2017 From January until April, Assistant with a PhD, and from May until July, First Assistant in modern and contemporary philosophy at the University of Lausanne.

2017 In February, qualification for a position as “Maître de conférence” in Philosophy in a French University, by the French Ministry of Research and Education (number 17217302487).

2012-2016 Since August 2012, PhD Candidate and Teaching Assistant in modern and contemporary philosophy at the University of Lausanne under the supervision of Prof. Simone Zurbuchen. In November 2013, I began a joint supervision with Prof. Alain Renaut at Paris-Sorbonne University.

The examination for my dissertation took place on the 10th of December 2016 at Paris-Sorbonne University. I was awarded by the degree of PhD in Arts by the University of Lausanne, and by the degree of PhD in Philosophy by Paris-Sorbonne University, with the highest distinction. The title of my dissertation is “Climate Justice: Duties and Corresponding Policies” (in French).

2011-2012 Second academic year for my Master’s degree, with the first semester at the University of Columbia, New York, and the second semester at Paris-Sorbonne University.

I was awarded by the degree of Master in Political Philosophy and Ethics (MA) in July 2012 by Paris-Sorbonne University, with the highest distinction. My mémoire, supervised by Prof. Alain Renaut, is titled “Climate Change and Global Justice” (in French).

2010-2011 First academic year for my Master’s degree in Political Philosophy and Ethics at Paris-Sorbonne University.

2009-2010 One academic year at Paris-Sorbonne University with the Erasmus student exchange programme.

I was awarded in September 2010 by the degree of Bachelor of Arts (BA) in Philosophy, Political Science and English by the University of Lausanne, with 34 additional ECTS credits in Philosophy.

2007-2009 Two academic years at the University of Lausanne, Switzerland, in Philosophy, Political Science and in English.

3. CURRENT POSITION

From September 2017, Research Assistant at the Institute of Geography and Sustainability at the University of Lausanne, under the supervision of Prof. Dominique Bourg.

4. SCIENTIFIC PUBLICATIONS (PEER REVIEWED)

4.1. Book

- Bourban, Michel, *La justice climatique. Quels devoirs pour quelles politiques ?*, Paris, PUF, forthcoming in 2018.

4.2. Collective work

- Bourban, Michel, « Climate Change, Potential Catastrophes and the Rights of Present and Future Generations », in Collste, Göran et Reuter, Lars (eds.), *Proceedings from the 50th Societas Ethica Annual Conference 2013*, Linköping, Linköping University Electronic Press, 2014, p.1-15, <http://www.ep.liu.se/ecp/098/ecp13098.pdf>

4.6. Book Review

- Bourban, Michel, « Philosophie par temps chaud », *La vie des idées*, 23 novembre 2016, p 1-5, http://www.laviedesidees.fr/IMG/pdf/20161123_bourban-justice_climatique.pdf

5. TEACHINGS ACTIVITIES (IN FRENCH)

5.1. Autonomous teachings

This list includes teachings for first-year students in philosophy, linked to the course “Introduction to modern political philosophy” taught by Prof. Simone Zurbuchen. In addition to the teaching of the content and the historic and intellectual context of philosophical works, these teachings included a strong methodological component (text explanations and dissertations)

Spring semester 2017 Classical texts in modern political philosophy (Hobbes, Locke, Rousseau, Kant)

Spring semester 2016 Locke's *Second Treatise of Government*

Spring semester 2014 Rousseau's *Social Contract*

5.2. Teachings I have assisted

The following list includes Prof. Simone Zurbuchen's teachings for which I have worked as a TA: reading and selecting papers and books, active participation to the seminars and lectures, replacements, expert for oral and written exams, grading papers and student training.

<i>Fall semester 2016</i>	BA seminar: Alexis de Tocqueville's <i>Democracy in America</i> and its contemporary readings BA lecture : Human rights: theories, challenges and critiques
<i>Spring semester 2016</i>	BA lecture: Introduction to modern political philosophy
<i>Fall semester 2015</i>	MA seminar: Political philosophy: from global to intergenerational justice (interdisciplinary Master in the foundations and practices of sustainability) BA lecture: Theories of sovereignty BA seminar : What is political liberty? Classical readings
<i>Fall semester 2014</i>	BA lecture: Political liberalism and its critics BA seminar: John Locke's theory of property
<i>Spring semester 2014</i>	MA seminar: Intergenerational justice
<i>Fall semester 2013</i>	MA seminar: Just war theories: historical and contemporary approaches BA lecture: The philosophy of human rights BA seminar: Hannah Arendt's political philosophy
<i>Spring semester 2013</i>	MA seminar: The problem of supererogation
<i>Fall semester 2012</i>	MA seminar: Is man naturally sociable? BA lecture: Main ethical theories in the 19 th and 20 th century BA seminar: John-Stuart Mill

6. MAIN RESEARCH FIELDS

- Climate justice and climate ethics
- Global justice and global ethics
- Intergenerational justice
- Just war theories and drone ethics
- Animal ethics
- Rousseau's political and social philosophy
- Locke's political philosophy

7. ORAL PRESENTATIONS IN WORKSHOPS AND OTHER ACADEMIC EVENTS

<i>July 2017</i>	« Souffrance animale et changement climatique » (with Lisa Broussois), presentation at the « 14 ^e congrès de l'Association française de science politique (AFSP) » (University of Montpellier, France).
<i>Novembre 2016</i>	« La philosophie face au changement climatique : quelle méthode pour la justice climatique ? », presentation at the workshop « Philosophie et interdisciplinarité » (University of Lausanne).
<i>July 2016</i>	« The most good we can do or the best person we can be? Virtuous life, climate change and effective altruism » (with Lisa Broussois), presentation at the workshop « 14 th Conference of the International society for utilitarian studies (ISUS XIV) » (Lille Catholic University, France).
<i>May 2015</i>	« Questions concerning the contemporary relevance of Rousseau's critique of social inequalities », presentation at the workshop « Meet the author » on Frederick Neuhouser's <i>Rousseau's Critique of Inequality: Reconstructing the Second Discourse</i> (Cambridge University Press, 2014) (University of Lausanne).

- March 2015* « Changement climatique, santé et droits de base », presentation for the course « Certificate of Advanced Studies (CAS) Santé, environnement et éthique » (University of Lausanne).
- November 2014* « La justice climatique globale et intergénérationnelle » (with Simone Zurbuchen), presentation at the workshop « Urgence climatique, urgences éthiques » (University of Geneva).
- September 2014* « Climate justice and international negotiations », presentation at the doctoral summer school « Climate Change – Uncertainties, Thresholds and Coping Strategies. Normative Perspectives » (University of Graz, Austria).
- August 2014* « The Ethics of Drone Warfare: Responses to Some Objections », presentation at the « 51st Societas Ethica Annual Conference: The Ethics of War and Peace » (Maribor, Institute Anton Martin Slomsek, Slovenia).
- March 2014* « Les théories de la justice climatique comme théories de la justice appliquée », presentation with Alain Renaut in a MA/PhD/post-doc seminar (Paris-Sorbonne University, France)
- November 2013* « Commentaire sur “Les théories de la guerre juste: de la dissuasion nucléaire aux conflits irréguliers” de Jean-Vincent Holeindre », presentation at the workshop «Théorie de la guerre juste: perspectives historiques » (Crêt-Bérard, near Lausanne).
- October 2013* « Comment on Thomas Bernauer’s and Robert Gampfer’s “Public Preferences on the Allocation of Emission Rights” », presentation at the « Annual Workshop: Climate Justice in Interdisciplinary Research » (ETH Zürich).
- August 2013* « Climate change, potential catastrophes and the rights of future generations », presentation at the « 50th Societas Ethica Annual Conference: Climate Change, Sustainability and an Ethics of an Open Future » (Soesterberg, hotel Kontakt der Kontinenten, Netherlands).
- June 2013* « Distributing the burdens of climate change: Why the developed countries should pay? », presentation at the « Society for Applied Philosophy Annual Conference 2013 » (University of Zürich).
- May 2013* « Changement climatique et justice intergénérationnelle: nos devoirs envers les personnes futures » presentation at the « Journée doctorale de philosophie » (University of Bourgogne, France)
- May 2013* « Question de méthode : quelle relation entre la théorie idéale et non-idéale ? », presentation at the workshop « Meet the author » on Alain Renaut’s book: *Un monde juste est-il possible ? Contribution à une théorie de la justice globale* (Stock, 2013) (University of Lausanne).
- April 2013* « What kind of global ethics should we choose to apply our duties of climate justice? », presentation at the « 7th Uppsala Forum Workshop on Global Climate Change. Reconsidering Mitigation and Adaptation: Equity and Policy Dimensions of Post-Kyoto Climate Policymaking » (University of Uppsala, Sweden).
- January 2013* « Changement climatique et philosophie politique », presentation at the workshop « Justice climatique » (University of Lausanne).
- November 2012* « How to write the history of philosophy? Questions of methodology », presentation at the workshop « meet the author » on Christopher Brooke’s *Philosophic Pride: Stoicism and Political Thought from Lipsius to Rousseau* (Princeton University Press, 2012) (University of Fribourg).

8. INSTITUTIONAL RESPONSIBILITIES

- Since January 2017* Organization of the Swiss Climate Ethics Network (SCENE) with colleagues from the Universities of Lausanne, Fribourg, Bern and Zürich, in order to promote philosophical research on climate change in Switzerland.
- Since September 2015* Organization of the working and reading group “Philosophy and its history” and “Methods in moral and political philosophy” with Dr. Lisa Broussois and Dr. Ophélie Desmons at the University of Lausanne (for young researchers and students).

9. ACTIVITIES IN COMMISSIONS AND AS AN EXPERT

- 2015-2016* Expert for commenting a project in the Foundation for research on biodiversity (FRB) and for assessing a project submitted to the Higher Council for strategic training and research (CSFRS) (France)
- 2015* Anonymous reviewer for a paper in the *Revue française des affaires sociales* and for a manuscript submitted to the editor La Découverte.
- 2013-2014* Participation to the nominating committee for a Professor in general and systematic philosophy at the University of Lausanne

10. MEMBERSHIP IN SCIENTIFIC SOCIETIES AND NGOS

- Since September 2015* Member of the NGO Swiss Youth for Climate (SYFC) (<https://www.syfc.ch/home>)
- Since November 2014* Member of the Societas Ethica: The European Society for Research in Ethics (<http://www.societasethica.info/introduction/>).
- Octobre 2011 – septembre 2013* Member of the International Solar Energy Society (ISES) (<https://www.ises.org>)
- Since May 2009* Member of the Swiss Study Foundation (<http://www.studyfoundation.ch>)

11. ORGANIZATION OF CONFERENCES

- May 2017* « Civil disobedience and animal/environmental activism », workshop on Tony Milligan’s *Civil Disobedience: Protest, Justification and the Law* (Bloomsbury, 2013), at the University of Lausanne (with Lisa Broussois, Ophélie Desmons and Christian Maurer).
- April 2016* « Le revenu de base inconditionnel : quelles justifications philosophiques ? Quels enjeux pratiques ? », workshop at the University of Lausanne (with Simone Zurbuchen).
- September 2014* « Philosophy, Law and Environmental Crisis » (University of Lausanne), workshop at the University of Lausanne (with Simone Zurbuchen, Alain Papaux and the Swiss Institute for comparative law)
- November 2013* «Théorie de la guerre juste : perspectives historiques », workshop at Crêt-Bérard, near Lausanne (with Simone Zurbuchen)
- May 2013* « Meet the author », workshop on Alain Renaut’s *Un monde juste est-il possible ? Contribution à une théorie de la justice globale* (Stock, 2013), at the University of Lausanne (with Simone Zurbuchen).
- April 2013* « Humility, Arrogance and Self-Respect », workshop at the University of Lausanne (with Simone Zurbuchen).

12. PRIZES AND SCHOLARSHIPS

- 2017 Faculty of Arts prize from the University of Lausanne for my dissertation “Climate Justice: Duties and Corresponding Policies” (in French)
- 2013-2016 Scholarship for the joint supervision of my dissertation by Swiss universities.
- Fall semester 2010 Scholarship by the Columbia-Penn Program in Paris and mobility scholarship by the Swiss Study Foundation for my semester at Columbia University.
- Academic year 2009-2010 Erasmus scholarship and mobility scholarship by the Swiss Study Foundation for my academic year at Paris-Sorbonne University.

13. OUTREACH ACTIVITIES

13.1. Publications

- Bourban, Michel, « Itinéraire d’un jeune philosophe. Lausanne, Paris, New York... et Champéry ! », *Le Messager Champérolain*, n°83, juillet 2017, p.14-15, https://issuu.com/champéry9/docs/messenger_83_juillet_2017__screen/14
- Bourban, Michel, « Philosophie par temps chaud », *La vie des idées*, 23 novembre 2016, p. 1-5, http://www.laviedesidees.fr/IMG/pdf/20161123_bourban-justice_climatique.pdf
- Bourban, Michel, « La géo-ingénierie : une solution au changement climatique ? », *Huffington Post*, July 9 2015, http://www.huffingtonpost.fr/michel-bourban/la-geo-ingenierie-une-solution-au-changement-climatique_b_7753718.html?utm_hp_ref=fr-environnement
